

“Team Teaching”

“I’M STILL LEARNING.”

Michelangelo at age 87

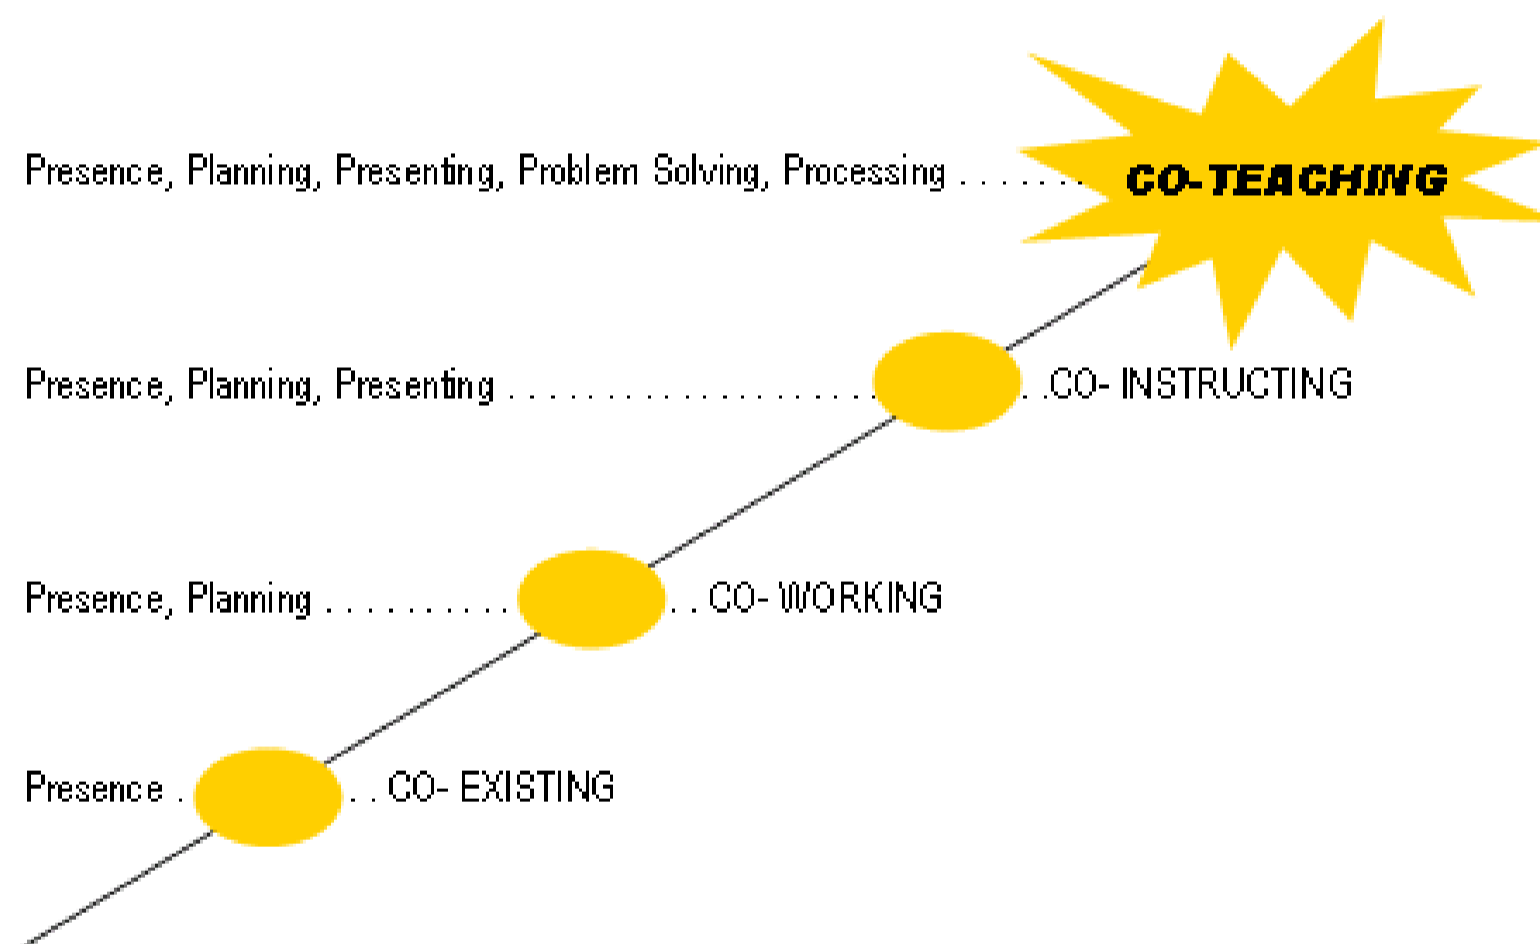

Benefits

- >With two teachers they can share the work load.
- >Two teachers in the classroom can attend to more problems any student may have.
- >Increase diversity in strategies we use to teach in our other classes.
- >It helps with classroom management.

Challenges

- >It can be tough to navigate the power dynamics in the classroom.
- >Choosing different ideas to teach certain aspects of the course.
- >Unbalanced workload can arise.
- >Conflicting ideas/approaches to teaching.

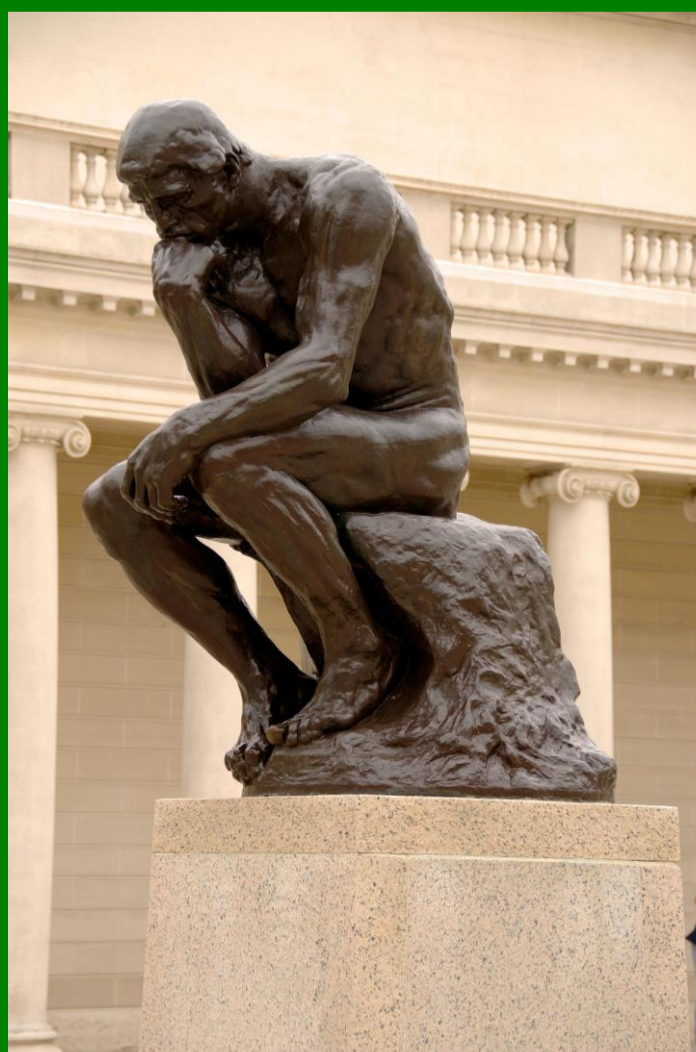

Levels of Collaborative Relationships

“Collaboration can achieve so much more in a classroom as long as your heart is in it.”

“With two teachers in the room our growth as a professional doubles too.”

Together
Everyone
Achieves.
More.....

“The most valuable resource teachers have is each other.”
