In the past fifty years, more than 1 trillion dollars in foreign aid was given in development to Africa

[Bill Gates](#): you don't know much about aid, you are promoting evil!

Finally sold 500,000 copies of my book "Dead Aid" :)

I am disappointed that you would choose the route of personal attacks rather than a logical counter argument about the role of aid in modern Africa. @bill gates

[Oprah Winfrey](#): "you are in the power list of 20 remarkable visionaries in the world"

I believe bilateral aid should be stopped!

Buy my new book "winner takes all" about china struggling for resources :)

TIME magazine: you have been voted to be in the most influential people in the world
