MODEL OF TEAM-TEACHING USED

Thoughts on Team-Teaching

“We find it a very supportive and educational experience which helps us develop as teachers.”

“I would definitely be interested in more opportunities for team-teaching.”

BENEFITS OF TEAM-TEACHING

- Beneficial to all students, especially those that are struggling.
- Good for time management come to exam time (languages).
- Is a form of CPD.
- Allows students to see different teaching styles for the subject.
