

We do not fear the unknown, we fear what we think we know about the unknown...

Laura Foley – Moyne Community School

<u>The First Time</u>		<u>The Second Time</u>	
The Experience	Feelings & Emotions	The Experience	Feelings and Emotions
• Meetings at lunch	✓ Confusion and no support	• Planned together at lunch	✓ Supportive and a sense of being together
• First experience for us both	✓ Uncertainty	• Discussed & shared resources	✓ Shared resources
• Work load was one sided	✓ Undermined	• Assigned sections	✓ Organisation and preparedness
• Uncertain of senior content	✓ Unprepared	• Both shared the stage	✓ More equal power dynamic
• Power dynamics – pushed aside	✓ From confident to apprehensive	• Great classroom management	✓ Feeling on being 'useful'
		• Class engagement	✓ Feeling of fulfilment
		• More time one to one	✓ Enthusiasm –

Sharing methods and resources

Feedback

A Mind that is stretched by new experiences can never go back to its old dimension.
