

# Team Teaching

## Helping students present on CSPE concept- Rights of the Child

Nick Gallwey and Claire Dixon, Coláiste Bríde, Clondalkin

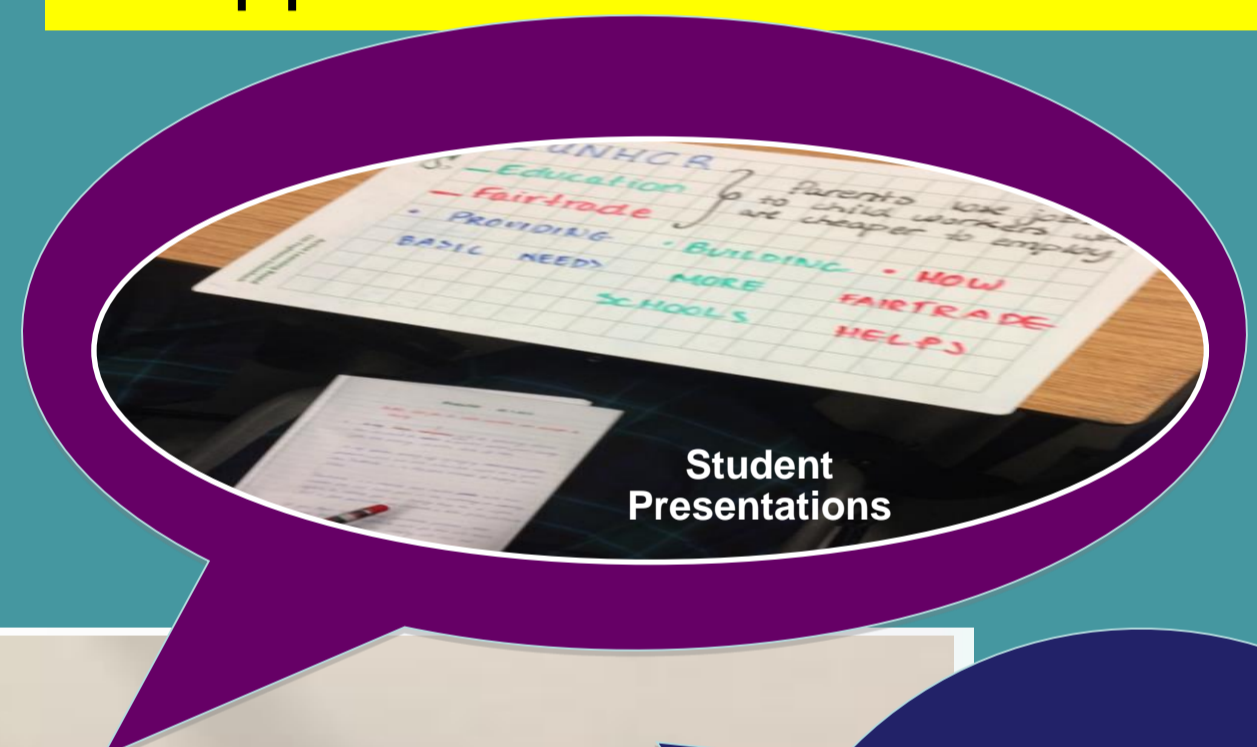

### LESSON OUTLINE

- 1: Teacher 1 introduced the class and the first activity (Group presentation)
- 2: The two teachers went around helping the groups prepare for their presentation
- 3: Students present their work
- 4: Teacher 2 explains follow up activity (Creating flashcards)
- 5: Teacher 1 goes around helping explain task while teacher 2 is addressing the class and giving homework
- 6: Teacher 2 hands out evaluation sheet for feedback

### BENEFITS

- High student engagement
- More feedback during lesson
- Could facilitate weaker students
- Students were better behaved
- More diverse lesson
- A fun lesson for all!
- A more fluid lesson
- Increased level of teacher support

“It was great, if we were stuck on a question there was always a teacher there to ask for extra help”-  
First Year Student

Student Presentations

“It helped me get more work done and can keep the lesson more organised and structured”-  
First year student

“I really enjoyed the experience and would definitely use it again” - Teacher

Hard at work
