

Personal Learning Record

Please make note of your reflections on each day's learning.

- What did you learn today?
- What resources or strategies are you likely to use when you return to school?
- How will you use the resources or strategies with your students?
- Do you have any concerns or issues?
- What recommendations have you for your school's elearning plan?

Name:	
Course:	

Module 1

- **What did you learn today?**
- **What resources or strategies are you likely to use when you return to school?**
- **How will you use the resources or strategies with your students?**
- **Do you have any concerns or issues?**
- **What recommendations have you for your school's elearning plan?**
