

Primary PE Workshop

GYMNASTICS

Rolling Variations and Sequences

Rolling is an important element of the Gymnastics strand of the PE curriculum. This two-hour workshop aims to develop teachers' confidence and competence to safely teach a wide variety of rolling techniques and progressions within gymnastics at all class levels. These workshops will take place in the venues listed below, after school. Please come dressed for activity! Refreshments provided on arrival and each participant will receive a Gymnastics teaching resource and a confirmation of attendance. Book now at www.pdst.ie/onlinebooking
