Learning Log / Maths Journal Prompts

Prompts for the beginning of a topic or new term

- I want to become better at maths because...
- My aim in maths this year is to...
- I am improving at maths now because...
- I would like to know how...

Prompts for the end of a topic or term

- The thing I'm proud of myself for learning is...
- The way I remember how to in my head is...
- I'm convinced that...
- I know I'm right because
- I'm surprised that...
- I figured this out by...
- A way I tried to solve this problem that didn't work out was ... I think it didn't work out because...
- Something new I learned today was...
- I'm still confused by...
- The thing I'm proud of myself for learning is...
- The way I remember how to in my head is...
- I'm convinced that...
- I know I'm right because
- I'm surprised that...
- I figured this out by...
- A way I tried to solve this problem that didn't work out was ... I think it didn't work out because...

Prompts for pupil's self-assessment and reflection

- I found.... easy because...
- I found ... hard because...
- I'm still confused by...
- I now know that...
- I still find... difficult because...

Prompts to record and consolidate pupil's mathematical thinking and understanding

- I saw a pattern...
- I noticed...
- This will also work for....
- This will not work for...
- Another way to solve this problem is...
- I tried to solve this problem by....but it didn't work out so I tried
