

# Using Posters as a Learning Tool

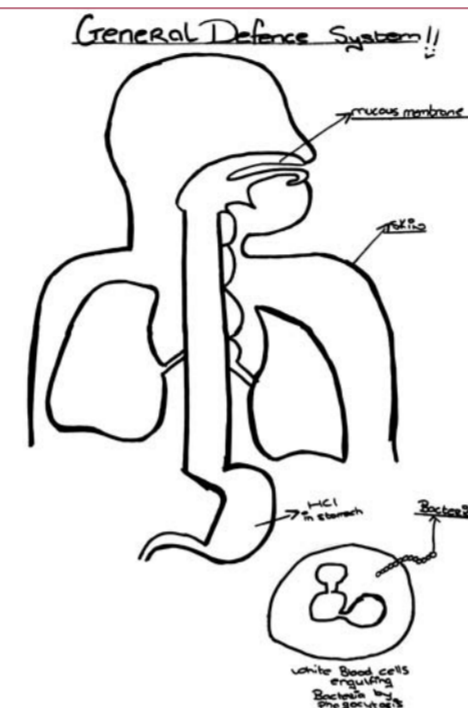

## Background

Leaving Certificate Students (OL)

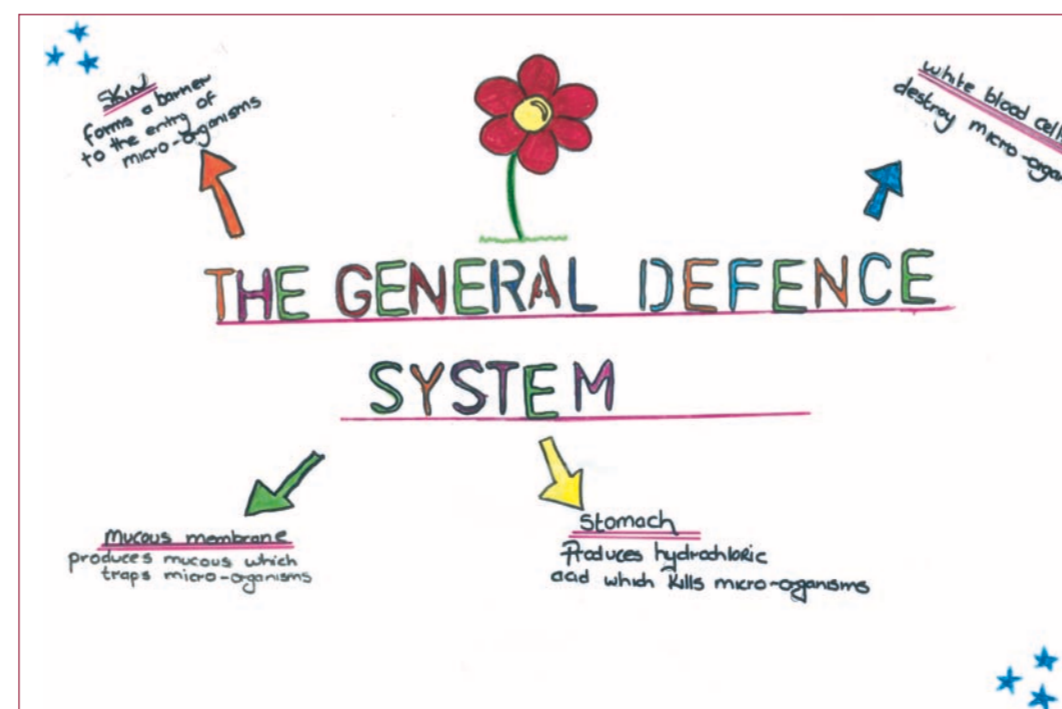

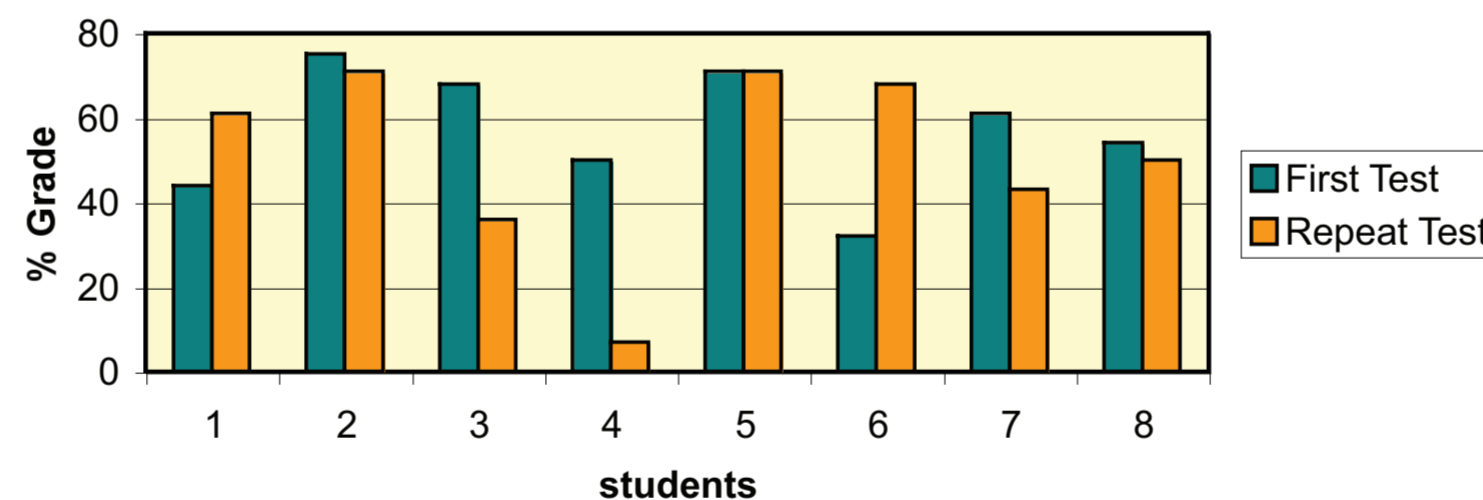

Topic: the Human Defence System

## Methodology

- Teach topic as normal.
- Class test.
- Withhold questions and results.
- Student groups design posters.
- Each group discusses their poster with the class.
- Repeat class test.

Student Results

## Student Comments

- Nice change.
- Helped me understand the more difficult sections
- You just concentrated on the poster you were doing.
- Good
- We don't have time to make posters.
- It would be nice to make posters for some sections

## Conclusion

Overall students seem to enjoy the activity and with more practice should be able to use it to improve their grades.
